“If we are asking for the world to be kind, we must first ask what are we doing to add more kindness to the world. If we are asking for the world to be more loving, we must first ask what are we doing to add more love to the world. We are the vessels for the things we seek.”

– Joël Leon

“Do your little bit of good where you are; it’s those little bits of good put together that overwhelm the world.”

– Archbishop Desmond Tutu
